### **HOMEWORK EXPECTATIONS**

**DAILY HOME READING-** this starts in October. Your child should read to you 10- 15 minutes nightly, to develop their reading fluency and comprehension.

**SIGHT WORD PRACTISE-** this starts in next week. Your child will bring home an individualized sight word list. Several words will be assigned for your child to practise 5- 10 minutes once or twice per day to develop their reading fluency of these words, which occur with high frequency in most reading passages. **FIVE LEVELS** of “Dolch Sight Words” should be mastered in Gr. One.

**GIFT FROM GOD-** This Archdiocesan program is taught both at home by parents and in the classroom. It helps teach your child about their personal safety. There is a small “homework workbook” that comes home weekly. We cover this program from April to June.

**LATES** The bell rings at 8:55. We start our day right away with prayer, class meetings and learning activities! Thanks for having your child here on time, so they can have their best start to the day!

**ABSENTEES** If your child must be absent from school, please email the office and me. Your child may have missed work to complete at home, as it is not always possible to catch up at school.
